

An Ignatian Reflection On Our Blessings

“God who loves us creates us and wants to share life with us forever. Our love response takes shape in our praise and honor and service of the God of our life. All the things in this world are also created because of God’s love and they become a context of gifts, presented to us so that we can know God more easily and make a return of love more readily.

As a result we show reverence for all the gifts of creation and collaborate with God in using them so that by being good stewards we develop as loving persons in our care for God’s world and its development.” [Draw me into your Friendship by David L. Fleming, S.J.]

Prayer: God, our Lord and Creator, you have graced us to begin our 50th Jubilee in 2011. We thank you through St. Ignatius for all the blessings retreatants have received on this holy ground on the shore of Lake Winnebago. May the Spirit of Jesus continue to fill the hearts and minds of the retreatants, directors and staff with a humble, attentive and compassionate love for all our brothers and sisters throughout the Jubilee and the coming years.
