### **Candlelight Mass**

*Solemnity of the Immaculate Conception*

The Peace Light is a continuous flame originating from the Grotto of the Nativity in Bethlehem. In many places around the world, Scouts actively spread its message of peace and are the primary carriers of the Peace Light.

The Peace Light offers numerous meaningful and concrete ways for Scouts to practice the values of reverence and duty to God found in the Scout Oath and Law. As something that bridges differences and fosters unity around values including truth, justice, peace, and life, the Peace Light connects with other Scouting values too: trustworthiness, friendliness, kindness, and citizenship in one's community, nation, and world.

*Scouts and Scouting units are most welcome to the Ecumenical Prayer Service on December 6 and the Candlelight Mass on December 8 at the Jesuit Retreat House on Lake Winnebago.*
